

Certificate of Conformity

Regulatory Compliance

Revision 01

Date 02/02/2023

Author Samuel Close

1. Issuer Details

The company named below manufacture the listed product(s) detailed within this declaration.

Company Name:	Sensoteq Ltd.
Address:	Unit 23 Ormeau Business Park, Cromac Ave, Belfast BT7 2JA, UK
Tel No:	028 9620 8453
Company Number:	NI637702

2. Product Details:

The product(s) of this declaration:

Model Number/Part Number:	Product Name:
KPX1001	Kappa X Sensor
CON-00685	Sensoteq Packaging Box
CON-00841	Sensoteq Shipping Box
CON-01129	Kappa X Packaging Insert

This is to certify that the above-mentioned product conforms to the following regulations and standards:

- CE (Conformité Européene) marking for products intended for sale within the European Economic Area:

The CE marking indicates that a product complies with relevant EU health, safety, and environmental protection requirements. The product has been tested and found to be in compliance with the applicable CE directives, including the Low Voltage Directive (LVD), the Electromagnetic Compatibility Directive (EMC), and the Radio Equipment Directive (RED).

- FCC (Federal Communications Commission) Part 15 for products intended for sale within the United States:

The FCC Part 15 regulations cover the emission limits for intentional and unintentional radiators, including products such as computers, peripherals, and other digital devices. The product has been found to be in compliance with FCC Part 15 regulations.

- RoHS (Restriction of Hazardous Substances) Directive 2011/65/EU:

The RoHS Directive restricts the use of certain hazardous substances in electrical and electronic equipment. The product has been found to be free from the restricted substances, including lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBBs), and polybrominated diphenyl ethers (PBDEs).

- REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) Regulation (EC) No. 1907/2006:

REACH is a European Union regulation that aims to improve the protection of human health and the environment from the risks posed by chemicals. The product has been found to be in compliance with REACH regulations, including the registration of any substances of concern and the provision of safety data sheets.

- PROP 65 (Safe Drinking Water and Toxic Enforcement Act) of California:

PROP 65 requires companies to provide warnings about exposure to certain chemicals that can cause cancer, birth defects, or other reproductive harm. The product has been found to be in compliance with PROP 65, including the provision of any necessary warnings.

- TSCA (Toxic Substances Control Act) of the United States:

TSCA gives the Environmental Protection Agency (EPA) the authority to regulate the manufacture and distribution of chemicals that may pose an unreasonable risk to health or the environment. The product has been found to be in compliance with TSCA regulations.

- EU Directive 2018/852 amending Directive 94/62/EC (Plastic waste):

This Directive sets requirements for the management of plastic waste in the European Union, amending Directive 94/62/EC on packaging and packaging waste. The product has been found to be in compliance with the provisions of EU Directive 2018/852, including the use of plastics that are recyclable or biodegradable, and the provision of information on how to properly dispose of the product at its end of life.

Standalone declarations for the above as well as statements on other areas such as Conflict Materials and Counterfeit Components can be found on our website.

3. Declaration:

We Sensotek Ltd. confirm that the information provided in this "Certificate of Conformity" is accurate and confirm that the Sensotek Ltd product(s) as well as accompanying packaging conform to the requirements to all regulations and standards mentioned above.
